## Case Study

### Background

A 70,000 square foot retail/medical center in Brownsburg, Indiana.

**Commercial Real Estate services and/or tools used on this project:**

- ✓ Leasing
- ✓ Property Management

### Challenges

This was a new account with several government regulations, due to the VA.

### Outcome

We have been managing this property for over a year now and we always receive positive feedback. The center is now filled with a drug store, a hearing group and an optometry group.
